DEGRÉ °5

Contour Backrest

Evolutional backrest, improved day-to-day autonomy

The *Positech Degré 5 Contour Backrest* adapts to all tubular wheelchairs. The comprehensive backrest adjustments provide users with the ultimate posture. Users will gain comfort, security and autonomy and the simple and precise adjustments follow the evolution of the users' condition.

The *Positech Degré 5 Contour Backrest* can be transferred to another client by simply changing the foam and cover and modifying the settings.

Head-rest (optional)
Multi-jointed support and rotating pivots for multi-axis adjustments.

Breastplate (optional)
Backrest fastening system, allowing flexibility of width adjustments.

Lateral supports
Choice of four supports, according to user's size and condition.

Assembly fasteners
Two lateral anchors to easily remove and reinstall backrest without changing settings and adjustments.
